**Agenda Questionnaire, Proposed New Business Motions and Proposed Bylaw Amendments**

January 10, 2008

To: Service Bodies

This mailing includes proposed new business motions and proposed bylaw amendments for consideration at the 2008 World Service Business Conference (WSBC). Each service body is asked to review each proposed new business motion and proposed bylaw amendment, and vote to determine if it should be included on the agenda at the 2008 WSBC. An agenda questionnaire is included for your service body's vote on each item. Space is also provided for your comments.

Please carefully consider each proposed new business motion and bylaw amendment in order to decide if the delegates should discuss and vote on it at WSBC 2008. Does its debate benefit OA at this time? Your "yes" or "no" vote is **not** a vote to approve or disapprove the content of the business motion or bylaw amendment. Those agenda items discussed and voted on by the 2008 Conference delegates will affect OA as a whole for years to come; therefore they should be important to the Fellowship *as a whole*.

Only those new business motions receiving a "yes" vote from at least 30% of the responding service bodies, and only those bylaw amendments receiving a "yes" vote from at least 40% of the responding service bodies will be considered at WSBC 2008.

**Your service body is urged to vote on the items listed on the agenda questionnaire whether or not you are represented by a delegate at Conference 2008.**

The chair or secretary of your service body **must** sign the agenda questionnaire. The completed questionnaire must be returned to the World Service Office and postmarked by **March 6, 2008**. **This is a firm deadline established by OA's Bylaws.** Questionnaires postmarked after that date and unsigned questionnaires will not be counted.

Although registered delegates receive this information for their reference, they are **not** to complete or return the agenda questionnaire. **Only service bodies may vote and complete the agenda questionnaire.**

**Return the agenda questionnaire postmarked by March 6, 2008 with the signature of the chair or the secretary of the service body.**
