Re: World Service Business Conference 2008

Please join us for the 47th Annual World Service Business Conference (WSBC) of Overeaters Anonymous to be held in Albuquerque, New Mexico at Hotel Albuquerque at Old Town from May 5-10. The theme of this year's Conference is "The Road to Recovery—A Team Effort!" Plan now to attend this important event.

The World Service Business Conference is an opportunity for you to meet delegates from around the world and share the strength, hope and experience they bring to the Conference while insuring the continuation of our Fellowship. It is your responsibility as a delegate to assure the future of OA through your participation in the collective group conscience.

Workshops and Board of Trustees' meetings will begin on Monday. A forum and committee meetings will be held on Wednesday. These events have proven to be an important and informative feature at Conference. Conference business sessions are held Thursday through Saturday. At WSBC, it is our responsibility to attend presentations and workshops, participate in committees, elect our trusted servants, learn about how OA works, and make decisions that will affect the Fellowship of Overeaters Anonymous.

Delegates at this year's Conference will have the opportunity to work with the first year of the Operations Plan based on the five-year Strategic Plan that delegates contributed to last year. This opportunity makes it even more important than ever that all service bodies send representation to Conference.

If you are a green dot (first-time delegate) you might consider participating in the Green Dot Mentor Program; more information is included in this mailing.

This is our second year at Hotel Albuquerque. Comments from last year's attendees were overwhelmingly positive about this venue. We look forward to another year of pleasant accommodations and excellent service. Plus, the location can't be beat! Please plan to stay at Hotel Albuquerque to help us meet our room requirements.

I look forward to sharing the business of OA with you for the present and into the future at WSBC 2008.

In OA love and service,

Dodie Hawkins, Chairman of the Board of Trustees
