

**Attention: Intergroup Professional Outreach Committees**

**What is the best way to carry the message?**

**Attract with *Lifeline!***

Did you know that with one easy step OA could attract many professionals and their clients to our Fellowship? Today OA has 322 intergroups. If each intergroup earmarked funds from its **Professional Outreach Committee** to donate one *Lifeline* subscription to a doctor's office or health-care facility, imagine the ripple of attraction that would spread worldwide.

***OA is based on attraction, not promotion.***

Sharing the experience, strength and hope found in *Lifeline* makes OA come alive. Readers can relate to the authors; professionals can see how OA can complement their practices. Give hope to still-suffering compulsive eaters and generate the professional referrals to help them. Join this outreach program today.

To subscribe, please use the special subscription form below so we can track this outreach effort.

***Yes, our intergroup supports this effort to attract the still-suffering compulsive eater.***
