

LET PEOPLE KNOW ABOUT YOUR MEETING!

You can publicize your meetings in many ways. Here are a few. For more information, contact your local intergroup or region office, or get the *Public Information Service Manual* from the WSO.

☛ **Group Registration** Register your group and keep that information current with the WSO AND your intergroup. Many people call the WSO seeking information about meetings in their area. The WSO depends on you to make sure we have current information.

☛ **Bulletin Boards** Post notices of OA meetings and special events on community bulletin boards in shopping malls, grocery stores, libraries, schools, waiting rooms, hospitals and other public places, where permitted. You may use the *Bulletin Board Attraction Cards* available from the WSO.

☛ **Classified advertisements** Many newspapers and neighborhood “shoppers” offer free listings to nonprofit organizations. Send these to the appropriate department head, or a department name may be sufficient. Publishers often require that ad copy be sent in weekly, usually by postcard. Length is often limited to a specified number of words or lines. Many groups and intergroups prepare a month’s worth of notices in advance and mail one each week on the same day. You can also find free advertising Web sites on the Internet.

☛ **Public Service Announcements (PSAs)** on radio or TV. A PSA is

usually a 15-, 30- or 60-second radio or television spot with a short message about OA and the phone number of the World Service Office and/or the local intergroup. While broadcast stations are no longer required to air PSAs, many stations do so as a community service and to fill space between programs. Some tips:

- ✓ **Use the prerecorded OA radio PSA**—Each radio PSA comes with 15-, 30- and 60-second spots. Also includes script and cover letter to stations.
- ✓ **Use the prerecorded OA TV PSA**—TV stations are unlikely to use PSAs unless they

are professionally produced. We suggest you purchase the PSA from the OA catalog, and submit the script along with the disk (included with purchase). Each TV PSA disk comes with 15-, 30- and 60-second spots.

- ✓ **Use live copy**—Some stations prefer live copy which they will produce or announce on the air (see sample below).

☛ **Ongoing meeting notices** Some papers have a special section for community meetings. The type of notice you send to the newspaper or community newsletter depends on the individual policies of each paper. Some require that you submit a notice each week. Others will run one submission indefinitely.

Tips for submitting meeting notices:

- ✓ Double-check the name of the special events section and the name/title to whom you are supposed to send the notices.
- ✓ Type your notice and send it with a cover letter. Some papers will accept postcards for notices that must be sent in weekly. Type across the top: “NOTICE FOR WEEK OF . . .”
- ✓ If your notice will be running indefinitely, check the listing periodically for errors.

OVEREATERS ANONYMOUS. Middle Vale High School, 241 Highland Ave., Newtown. Second floor faculty lounge. 7 p.m. newcomer meeting, 8 p.m. regular meeting. No dues, fees or weigh-ins. Everyone welcome! (If desired, include a phone number).

☛ **Press releases** are submitted when there's something newsworthy to tell the public. If your service body is planning a special event such as a PI/newcomers' night, presenting a copy of the newest OA book to the library, or starting a new meeting, inform the media and the public through a press release. Include the name of the sponsoring service body; exact time, date, and location of event; purpose; cost (if any); and a contact name and phone number. Additional information about OA may also be included (see samples below).

Tips for submitting press releases:

- ✓ Call your local newspapers to find out to whom your release should be sent and what the deadlines are for submissions (e.g., a release about OA's participation in a health fair would go to the health editors, and they may need the release a couple of weeks, or more, in advance.)
- ✓ Type the name, address and phone number of your group's contact in the upper-right-hand corner. This information is for media use only; it won't appear in the final story.
- ✓ Type double-spaced with one-inch margins.

- ✓ Tell who, what, when, where and why in the first few sentences or paragraphs. Place the most important information first and continue in decreasing order of importance.
- ✓ Keep sentences and paragraphs brief and to the point. One page is ideal, but don't use more than two. Proofread carefully for grammatical accuracy and typing errors.
- ✓ End the release with "-30-" or "# # #" centered on the page; this indicates the end of the press release.
- ✓ Mail or fax your release to all editors on your list, even if two or more are from the same paper or station. This can lead to feature stories. Do not hand-deliver your press releases.
- ✓ If your release is not used, contact the editor(s) to ask why not. Use this information the next time you submit a press release.

☛ **Be prepared** for newcomers at your meetings by stocking up on OA literature. If possible, compile a list of abstaining members who can help callers to your local OA phone line with questions about OA.
